Use of analytical review procedures in an audit. March, 66
Working with your clients and their attorneys in auditing litigation, claims and assessments. April, 86

Employee Benefit Plans

Asset reversion to employer upon plan termination. August, 103
Benefit accruals beyond normal retirement age. December, 105
1987 budget law: changes for pension plans. November, 112
Changes that affect tax sheltered annuities for tax-exempt organizations. July, 99

Comprehensive new nondiscrimination rules imposed by TRA 86. March, 84
Discussion of the personal liability of plan fiduciaries. April, 111
Effects of a corporation changing its tax year on its pension plans. April, 110
ESOPs can solve problems for many companies. February, 96
Excise tax on welfare benefit plan reversions. July, 100
Flexible benefit plans can satisfy employee needs without increasing costs. May, 109
Incentive stock options and the AMT. February, 98
IRS guidance on highly compensated employee and compensation. August, 104
Minimum payments from IRAs. November, 114
New reasons for pension plans to invest in real estate. September, 102
Notice requirement for significant reduction in benefit accruals. December, 105
Pension plan investments after the "crash." November, 113
Pension Protection Act will have an adverse effect on defined benefit pension plans. June, 98
Proposed regulations on participant loans to a party-in-interest. August, 102
Recently announced cost-of-living adjustment raises dollar limit for defined benefit plans. July, 98
Rules under TRA 86 regarding IRAs and participation in active retirement programs. May, 108
Sec. 401(k) plans: after tax reform. October, 112
Summary of regulations on distributions from retirement plans. January, 84

Estate Planning

Administrative expenses are approved by reference to estate tax law, not by state private court. March, 88
Annual gift tax exclusions for multiple beneficial interests. April, 115
Appeals court reverses *Dorn* in connection with use of stock options freezes. February, 102
Assignment of employer's group term life insurance policy to decedent's wife includable in estate. August, 107
Banks offer fiduciary services invaluable to CPAs engaged in estate related work. February, 102
Claims against estate for "wifely services." May, 113
Confusion over Sec. 2035. November, 116
Disclaimers and the marital deduction. December, 110
Death, divorce and the exchange of a life insurance policy. December, 110
Earnings from employment as a fiduciary may qualify for Keogh contributions. October, 115
Estate entitled to charitable deduction even though bequest was voidable by decedent's

heirs. July, 102
 Estate tax law and a decedents' unexercised right to purchase a co-op apartment at the insider price. March, 88
 Excise tax transfer of appreciated property to foreign trusts not applicable to grantor trusts. March, 87
 GRITS lose their "safe harbor" status. November, 115
 Incentive stock options can be of value in estate planning. January, 86
 Interest paid on unpaid portion of estate tax is an exception to the disallowance of personal interest expense. January, 88
 IRS made major change in policy on advance rulings with respect to estate tax matters. May, 113
 Material participation in business required to obtain "special use valuation" under Sec. 2032A. February, 100
 Meeting requirements for special use valuation of property included in estate. April, 116
 New excise tax on distributions from retirement plans in excess of proscribed limits affect estate planning. June, 103
 Nonpayment of preferred dividends constitutes indirect gift to common shareholders. February, 101
 Payment pursuant to improper acceleration of deferred estate taxes does not prevent refund. September, 104
 Planners need to be aware of "transfers with retained life estate" rules of IRS. April, 114
 Planning in-kind distributions. November, 116
 Problems in marital deduction in case of contest of bequest to surviving spouse. May, 112
 Qualified terminal interest trusts must be carefully planned to accomplish estate tax purpose. January, 86
 RA 87 makes it difficult to structure an estate freeze. August, 106
 RA 87's effect on the unified credit, graduated rates and the large estate. September, 105
 Split interest purchase of property can be designed to save gift or estate taxes. March, 87
 TRA 86 changes ATM computation for estates and trusts. January, 89
 Tuition funding planning. October, 116

Federal Taxation

1987 Act severely limits use of installment method. June, 108
 Alternative depreciation system requirements. November, 123
 Changes regarding deductibility of home mortgage interest. July, 108
 Charitable contributions via use of trusts or private foundations. February, 105
 Discharge of indebtedness income results from discounted prepayment of mortgage. December, 115
 Editor's note. December, 116
 Election of taxable year other than required year. November, 119
 Estimated tax rules for S Corporation shareholders. February, 108
 Financing through public offering of subsidiary's shares could have adverse tax consequences. June, 111
 Guidance on the phase-out of the IRA deduction for taxpayers who receive social security benefits. August, 112
 Hypothetical tax trap arising from the forgiveness of debt to an insolvent company. January, 73
 Kiddie Tax limits benefits of income shifting techniques among family members. July, 108
 Life insurance proceeds on deceased shareholders may be taxable under the new corporate AMT rules. January, 72
 Losses of tax exempt social club allowed to offset unrelated business income. April, 124
 Mid-quarter convention for depreciation and short

tax years. August, 112
 New interest abatement rules. May, 115
 New uniform capitalization rules. January, 70
 Nonrecognition of gain on involuntary conversions. August, 109
 Partnership interest valued on going concern basis when that was intent of partners. February, 104
 Planning for the AMT. September, 106
 Primer for handling IRS audit. May, 117
 RA 87 limits use of pre-acquisition losses. June, 107
 Record date for dividends is the controlling factor in recording income for tax purposes. June, 110
 Record home mortgages to generate qualified residence interest. December, 113
